RETURNS & ALLOWANCES

1. No credit will be allowed on merchandise returned to our warehouse without a written "Return Authorization" from Home Source authorized personnel. Returns that are incomplete or not in original factory packaging will not be accepted.
2. No allowances will be made for any transit damage that occurs while in the possession of the dealer or while in possession of the dealer's customer.
3. In certain instances, it will be necessary to issue an allowance for defective merchandise. In granting allowances the following points should be kept in mind:
 - a. We continue to strive to provide the best possible product. Our obligation to the dealer is to produce quality furniture at great value. Ultimate perfection is not possible because of the materials in which we deal.
 - b. It is part of the dealer's function to service the product. A reasonable amount of touch-up and deluxing is the dealer's responsibility.
 - c. Although many of our dealers have successfully delivered our merchandise directly to the customer without unpacking, we do not recommend that the dealer deliver our merchandise to his customer before inspecting the merchandise.
 - d. Parts, at the full discretion of Home Source, will be provided at no cost in lieu of processing of a return credit or exchange. This will only occur if it is deemed that a replacement part will restore a piece of merchandise to a pristine selling state.
 - e. Finishes on furniture may vary over a period of time. Wood and wood products contain natural variations and minor imperfections ingrained in the product. These imperfections are caused by nature and are characteristics of wood and wood products and are not considered defects.
 - f. The loss of cushion resiliency including a slight softening and flattening will occur naturally as a result of normal use and aging.
4. Allowances may only be given by Home Source authorized personnel. It is the responsibility of field personnel to examine any defective merchandise and make suggestions and recommendations as to proper disposition. Field personnel will not obligate or bind the company by definite agreement. Home Source administrative office will make final authorization for disposition.
5. Merchandise returned to Home Source without prior authorization will not be accepted for credit. If goods are defective and return is authorized, they will be replaced with similar or repaired merchandise piece for piece.

The return, repair, or replacement of defective products is at the option of Home Source management. Sales representatives are not authorized to make this decision. All Products sold are built for residential use only. Any purchase made for commercial use makes this warranty null and void.
